WORK EXPERIENCE

MOST RECENT EMPLOYER

First assistant Director- production assistant from 2018 to today

From the beginning of my career, I started working as a freelancer with a range of different clients who allowed me to learn in many different fields, thus broadening my skills. and i love coordinate .

Chief Marketing Autobar 2012 - 2017

For five years, I was part of the creative team at Autobar Service where I created highly successful content for social and strategies for several of the company's clients, putting creativity, innovation and strategy into practice.

PROFILE

I am a first assistant director with years of experience and training, in pre production specialising in creative and innovative light set. Constantly evolving and growing. And i really appreciate a job in a great company
