ABOUT ME

I I am Noa Boucquillon I a cinematographer and photographer born in 2001 in Belgium, but now based in Italy. I am driven by the desire to create unique and impactful visuals whenever I hold a camera in my hands.

One of my aspirations is to contribute to the documentary field, utilizing my skills to capture authentic stories from around the world. This aligns with my passion for travel, and I am excited about the prospect of working on diverse projects that challenge and expand my creative horizons.
