ADDITIONAL INFORMATION

I try to immerse myself in the sound environment as much as I can, listening to all music genres and being open to all form of art expression. I love traveling and this helps me to open my

mind and think outside the box, being ready to the encounter with new cultures and work environments. In the last ten years I have traveled either for working and independently to Turkey,

Mexico, India, Kingdom of Bahrain, Thailand, Japan, U.S., Canada, France, Germany, Iceland, Croatia, Spain, Malaysia, Singapore. My travels have taught me to interact with a wide range of

diverse people and cultures and deal with unexpected situations. In 2012 I relocated to Singapore, a new and stimulating environment. References available on request.
