## Sonnoli

COMPOSER/MUSIC PRODUCER

### ABOUT ME

Academically trained creative composer, producer and musician with a broad experience in different aspects of music composition and production. Able to focus on different projects while writing diverse styles of music. Great familiarity with MIDI programming and audio production in the Logic X, Pro Tools and Live 10 environments, as well as working with musicians in the studio providing excellent arrangement, part preparation and recording skills. Co-founder of Kinzicastudio, a collaboration focused on the production of library music and custom music.
