INTERESTS

Music Production
Sound Engineering
Music and Video Gear

Production Assistant & Tour Manager with extensive experience in high-profile international productions, including projects for Disney+, Amazon Studios, and ITV Studios. Specialized in logistical management, autonomous B-roll coordination, and talent relations. I combine problem-solving skills under high-pressure environments with expert long-distance driving capabilities (9-seater vans). A native Italian speaker with C2 English proficiency, I'm capable at handling field administration, including location scouting and securing legal release forms.
